Mapping The Womens Movement Feminist Politics And Social

In social scientific literature the term social transformation is increasingly used to describe societal changes and generally indicates a critical stance towards older notions of the idea of development. The approach of social transformation does not consider the western model as the one that should be imitated by all other nations.

Social Transformation | United Nations Educational

A fully developed theory of social transformation involves four interlinked components: A theory of social reproduction , a theory of the gaps and contradictions of reproduction , a theory of trajectories of unintended social change , and a theory of transformative strategies .
