Sophisms of free-trade and popular political economy

Economic Sophisms (PDF) Bastiat was a French liberal of the 19th century and perhaps the best popularizer of free market economics ever. This collection centers around his criticisms of protectionism and defenses of free trade.

Economic Sophisms - Foundation for Economic Education

Moreover, free trade also equalizes the conditions of enjoyment, of satisfaction—in short, of consumption. People seem never to take this aspect of the matter into consideration; yet it is the crux of the whole discussion, since, after all, consumption is the ultimate goal of all our productive efforts.
