

source an internet directory pdf

Internet Sources: Directories vs. Search Engines As a rule, there are two basic ways to locate information on the web: one is to use a subject directory, and the other is to use a search engine. Below are some of the fundamental differences with the two approaches to finding information. ... (i.e. PDF files) that the search engine

Internet Sources: Directories vs. Search Engines

Please note that these examples refer to articles retrieved from the free Internet as opposed to a database. For an example of citing an article taken from a database, click on the database articles tab above. Also, please note that the information presented under this tab concerns the electronic retrieval aspects of formulating a citation.
