South Indian Sketches: Containing a Short Account of Some

Hindu temple architecture as the main form of Hindu architecture has many varieties of style, though the basic nature of the Hindu temple remains the same, with the essential feature an inner sanctum, the garbha griha or womb-chamber, where the primary Murti or the image of a deity is housed in a simple bare cell. Around this chamber there are often other structures and buildings, in the largest cases covering several acres.

Hindu temple architecture - Wikipedia

Dravidian architecture is an architectural idiom in Hindu temple architecture that emerged in the southern part of the Indian subcontinent or South India, reaching its final form by the sixteenth century.
