The apadravya, like the ampallang, is a piercing that passes through the glans. While the ampallang passes horizontally through the glans, the apadravya passes vertically through the glans from top to bottom, almost always placed centrally and passing through the urethra. Off-center apadravyas are also possible, wherein the piercing is deliberately offset, yet usually still passes through the ...

The lip plate, also known as a lip plug or lip disc, is a form of body modification. Increasingly large discs (usually circular, and made from clay or wood) are inserted into a pierced hole in either the upper or lower lip, or both, thereby stretching it. The term labret denotes all kinds of pierced-lip ornaments, including plates and plugs. ...
