A nation state (or nation-state), in the most specific sense, is a country where a distinct cultural or ethnic group (a "nation" or "people") inhabits a territory and has formed a state (often a sovereign state) that it predominantly governs. It is a more precise concept than "country", since a country need not have a predominant ethnic group. A nation, in the sense of a common ethnicity, may ...

Popular sovereignty is a doctrine rooted in the belief that each citizen has sovereignty over themselves. Citizens may unite and offer to delegate a portion of their sovereign powers and duties to those who wish to serve as officers of the state, contingent on the officers agreeing to serve according to the will of the people. In the United States, the term has been used to express this concept ...

The end is addressing one of the two most salient political questions of the 20 th century Ethiopia as articulated by the student movement of the 1960s, namely the historic "question of nationalities" and the question of land. The 1974 Revolution (which can be summed up as a revolution conducted under the banner of "Land to the Tiller") has led to land redistribution and abolished ...
