Michael Gavin's Sports in the Aftermath of Tragedy: From

For many, it was the sports world that offered the clearest guidance. Major League Baseball, after five days of respectful suspension resumed play on Monday, Sept. 17. The NHL resumed its preseason schedule that week, and college and NFL football returned the weekend of Sept. 22-23.

The Weekend That Healed New York: Sports In The Aftermath

In Sports in the Aftermath of Tragedy: From Kennedy to Katrina, Michael Gavin explores how columnists have written about sports' role in the national recovery from specific tragedies. Beginning with John F. Kennedy's assassination and including subsequent national tragedies such as 9/11 and Hurricane Katrina, this book studies the people considered "American" in these columnists' work.

The Disaster exposed as a terrible delusion the belief that Spain was at least a middle-ranking world power â€” a belief that was a central component of the national culture. The loss of the last remnants of the Empire provoked a severe post-imperial crisis among sections of Spanish society, one that had been delayed since the early 19th century.
