Strengthening State Policies for Working Families. Millions of American breadwinners work hard to support their families. But, despite their effort, almost one in three working families are mired in low-wage jobs that provide inadequate benefits and offer little opportunity for advancement and economic security.

A slum is a highly populated urban residential area consisting mostly of closely packed, decrepit housing units in a situation of deteriorated or incomplete infrastructure, inhabited primarily by impoverished persons. While slums differ in size and other characteristics, most lack reliable sanitation services, supply of clean water, reliable electricity, law enforcement and other basic services.
