A deep state (from Turkish: derin devlet, also known as a state within a state) is a political situation in a country when an internal organ, such as the armed forces or public authorities (intelligence agencies, police, secret police, administrative agencies, and branches of government bureaucracy), does not respond to the civilian political leadership.

Deep state - Wikipedia

Pedology (from Greek: πέδον , pedon, "soil"; and λόγος , logos, "study") is the study of soils in their natural environment. It is one of two main branches of soil science, the other being edaphology. Pedology deals with pedogenesis, soil morphology, and soil classification, while edaphology studies the way soils influence plants, fungi, and other living things.

The Governments Make a Move The governments went to work shortly after the cloning of Dolly. They wanted to take control and make laws before anything drastic could ever happen. Several ethics committees

were asked to decide whether scientists should be allowed to try to clone humans.
