The "2018 Minnesota General Population Survey of Attitudes and Outlook Regarding Healthcare Services and Costs" was released on April 6, 2018. The results included measures of satisfaction with health care quality and costs, perceptions regarding changes in costs and payment responsibilities, and preferences for universal health care versus private health care insurance.

The Minnesota Governor's Council on Developmental Disabilities

Date Event Change Map August 23, 1784 A region in central North Carolina, unhappy with the state's governance over the area, declared independence from the state as the State of Frankland. The government of Frankland held some control over the area, and petitioned for statehood, receiving support from seven of the nine states required, but would only last a few years.
