more ons throughout that make it a bit less daunting as it does measure 150 pages. In this first book Courtney Sheinmel has Stella frustrated that a boy in her class has assigned her a particularly mean nickname, "Smella", and wants to change her name to something that can't be adjusted in this way. Her friends all agree that they also dislike their names and as the story unfolds we have Stella and her friends choosing candy-related names in a small tribute to their favourite candy store.

Stella Batts Series by Courtney Sheinmel - Goodreads

We started reading the Stella Batts books when she was four and still in preschool. I wasn't sure she'd be interested since she wasn't familiar with the world of elementary school yet, but she was captivated from the first chapter and wanted to read nothing else until we'd made it through all the available books in the series.
