Developing Good Study Habits You wouldn't set up a desk in Grand Central Station to study for an exam. Nor would you invite your friends to your room to hang out while you prepare for an important test. But many students might as well. They study in the noisiest, most distracting setting they can find, often in front of the TV or on the couch with the stereo blasting.

Essential Study Skills for Science Students Cengage

Straight talk and tips from top students to help make academic excellence a lifestyle. Getting a passing grade is one thing—cramming to memorize facts, knowing what's on the test, finishing a paper just before the deadline—but being a top student is something else entirely.
