Devil's Advocates play an important part in the strategic decision-making process. Encourage the "Yes, BUT" and you will make better strategic decisions

### **Strategic decision making and the role of the Devil's Advocate**

Group decision-making (also known as collaborative decision-making) is a situation faced when individuals collectively make a choice from the alternatives before them. The decision is then no longer attributable to any single individual who is a member of the group. This is because all the individuals and social group processes such as social influence contribute to the outcome.
