Map of Africa indicating SADC (light green) and SADC+SACU (dark green) members.

Southern African Development Community - Wikipedia

Introduction Strategic management is emerging as a major new competency in public sector activity. Public sector managers are now being asked to execute and measure performance improvement in ways that have so far been adopted only in private sector organisations.

Strategic Management in the Public Sector | Training

Member States of the Southern African Development Community (SADC) are vulnerable to a range of natural disasters and, since many events affect several countries simultaneously, a regional approach to managing the risks is appropriate and necessary. Since 2000, countries in Southern Africa have experienced an increase in the frequency, magnitude and impact of drought and flood events.
