The United States will stand beside any nation determined to build a better future by seeking the rewards of liberty for its people. Free trade and free markets have proven their ability to lift

The National Security Strategy

The National Security Strategy (NSS) is a document prepared periodically by the executive branch of the government of the United States for Congress which outlines the major national security concerns of the United States and how the administration plans to deal with them. The legal foundation for the document is spelled out in the Goldwater-Nichols Act.

Grand strategy or high strategy comprises the "purposeful employment of all instruments of power available to a security community". Issues of grand strategy typically include the choice of primary versus secondary theaters in war, distribution of resources among the various services, the general types of armaments manufacturing to favor, and which international alliances best suit national goals.
