

### **structured credit products credit pdf**

In structured finance, a structured product, also known as a market-linked investment, is a pre-packaged investment strategy based on a single security, a basket of securities, options, indices, commodities, debt issuance or foreign currencies, and to a lesser extent, derivatives. The variety of products just described is demonstrative of the fact that there is no single, uniform definition of ...

A credit rating agency (CRA, also called a ratings service) is a company that assigns credit ratings, which rate a debtor's ability to pay back debt by making timely principal and interest payments and the likelihood of default. An agency may rate the creditworthiness of issuers of debt obligations, of debt instruments, and in some cases, of the servicers of the underlying debt, but not of ...
