

studying for a degree pdf

Many of the study skills and academic knowledge that you have learned as you pursued acceptance into the nursing program will help you complete the program. That being said, NURS 1010, 1020, 1030, ADNU 2040 & 2050 are courses that you have to develop, adopt, or expand new study strategies and critical thinking skills as well.

Study Strategies for Success

rials rarely mention the challenges of graduate study, as their purpose is to attract new students. However, they do provide a set of extrinsic motives (better career prospects and access to a high-quality research culture) for study in contrast to the some of the intrinsic factors identified in the British studies mentioned above.

Motives and Aspirations for Doctoral Study: Career

In order to be recommended for the master's degree, you must achieve a grade point average (GPA) of at least 2.75 in the Stanford courses listed in the 45 units of graduate study on your Program Proposal for a Master's Degree (PDF).
