

taxation of corporate groups pdf

A corporate tax, also called corporation tax or company tax, is a direct tax* imposed by a jurisdiction on the income or capital of corporations or analogous legal entities. Many countries impose such taxes at the national level, and a similar tax may be imposed at state or local levels. The taxes may also be referred to as income tax or capital tax. ...

Corporate tax - Wikipedia

Income taxes are the most significant form of taxation in Australia, and collected by the federal government through the Australian Taxation Office. Australian GST revenue is collected by the Federal government, and then paid to the states under a distribution formula determined by the Commonwealth Grants Commission.. Australia maintains a relatively low tax burden in comparison with other ...

Company tax rates | Australian Taxation Office

The broadly outlined tax proposals released by the Trump administration would not benefit all taxpayers equally and they would not benefit all states equally either. Several states would receive a share of the total resulting tax cuts that is less than their share of the U.S. population. Of the dozen states receiving the least by this measure, seven are in the South.
