before succeeding with a strip of carbonized cardboard. Learn to "think wild." Let yourself imagine all kinds of possibilities, including those you would ordinarily consider impractical or ridiculous. Permit your mind to float free and to take what it offers. Use good sense and judgment only later to weed out what's impossible.

was a child piano prodigy myself. I play and teach: piano, guitar, bass, flute and drums. I have taught many friends and family members how to get started playing songs on the guitar practically overnight. When you are dedicated enough and passionate about learning the bass guitar, it comes a lot easier than you may think.
