

### **the american way of pdf**

Boot interpretations implicitly portray the American way of war as a way of battle more than a way of war. This aspect of the American way of war becomes even more important when one considers that Boot's writings go further than just describing another aspect of the American way of war.

### **An American Way of War - Air University**

"The American way of war" refers to the grinding strategy of attrition that U.S. generals traditionally employed to prevail in combat. But that was then. Spurred by dramatic advances in information technology, the new American way of war relies on speed, maneuver, flexibility, and surprise.
