Welcome to StandardHorizon.com

The horizon or skyline is the apparent line that separates earth from sky, the line that divides all visible directions into two categories: those that intersect the Earth's surface, and those that do not. The horizon is horizontal. At many locations, the true horizon is obscured by trees, buildings, mountains, etc., and the resulting intersection of earth and sky is called the visible horizon.

Swiss participation in Horizon 2020 - ec.europa.eu

Horizon was a magazine published in the United States from 1958 to 1989. Originally published by American Heritage as a bi-monthly hardback, Horizon was subtitled A Magazine of the Arts. In 1978, Boone Inc. bought the magazine, which continued to cover the arts. Publication ceased in March 1989. Recently, American Heritage announced its intention to digitize essays from past issues.
