Manual of Best Management Practices For Port Operations

Colloquially known as the Tube, the London Underground was the first rapid transit system in the world, having begun operations in 1863. More than 3 million passengers travel on the Underground every day, amounting to over 1 billion passenger journeys per year for the first time in 2006. The Underground has 11 lines, most of which connect the suburbs to Central London and together form a dense ...
