01. Background This factsheet will show you how you can reduce, reuse and recycle your waste in your community. Waste and how we deal with it is a growing issue in the UK and across the world, with the realisation that the vast majority of the resources that we rely on to sustain our life styles are finite.

2013 August 3, "Revenge of the nerds", in The Economist, volume 408, number 8847: Think of banking today and the image is of grey-suited men in towering skyscrapers. Its future, however, is being shaped in converted warehouses and funky offices in San Francisco, New York and London, where bright young things in jeans and T-shirts huddle around laptops, sipping lattes or munching on free food.
