

the british at le pdf

American and British English. For example, if someone asks if you are hungry but you have just finished your lunch, in British English you would need to use the present perfect tense, "No, I've eaten already", but in American English you can use the past tense, "No, I ate already" (this would be incorrect in British English).

knowledge and competence of the language. The differences between American and British English are rarely a subject for consideration though, and the aim in this essay is to investigate what abilities, if any, Swedish students possess in order to distinguish between American and British English spelling and vocabulary.

British or American English? - DiVA portal

Differences between British and American English Introduction British and American English can be differentiated in three ways: o Differences in language use conventions: meaning and spelling of words, grammar and punctuation differences. o Vocabulary: There are a number of important differences, particularly in business terminology.
