Reducing this terrible time to mere superstition is a travesty of history; the film does much to dispell such myths and in a clear, coherent manner, explains the reasoning behind what at first appears to be insanity - I thought the points made about women and property and their exclusion from education to be especially

potent - and it makes me shudder to see in our own times such attitudes directed against women.

Some of it is propagated by people who know nothing of us, and others is perpetuated by those who would have us remain in the broom closet. So as we Pagans and Wiccans wear our Never Again the Burning Times t-shirts, we need to be cautious. There's enough misinformation and falsehood out there " the last thing we need to be doing is promoting this misinformation ourselves.
