## **The Buyout Of America How Private Equity Will Cause The**

This was an extremely enlightening book as it is written by a writer for Merger market at the end of 2009 that has taken a very negative approach towards the Private Equity industry in general. He walks through a number of buyouts where the private equity firm's strategy was to strip out the costs (shed staff, cut R&D spend) and increase cash flow (increase pricing, sell off business) etc.
