The Complete Illustrated Pregnancy Companion by Robin

The information provided in the book is limited, which can be a good thing if you are paranoid (and I am). It gives basic updates as to how baby is growing each week and things you may be experiencing that week. I wouldn't call it The Complete Illustrated Pregnancy Companion.

Amazon.com: Customer reviews: The Complete Illustrated

The Complete Illustrated Birthing Companion was released this week and we're pretty excited about it. There's information tailored for first time and experienced parents, younger parents and older ones and lots of information specifically for fathers.
