THE CONTINUING EVOLUTION OF SHAREHOLDER GOVERNANCE R.C. NOLAN* I. INTRODUCTION THE law which governs decision-making by the shareholders (or, strictly speaking, members) of a company is an area in which there is a great emphasis on regulation. This emphasis has tended to obscure the basic principles of law around which that regulation has developed.

4. Evolution of libraries will be determined by competition with other institutions just as much as by technology itself. 5. Adaptation to electronics is not a matter of one-time change, but an evolution that will take several decades. This implies prolonged upheaval and simultaneously offers opportunity for gradual adjustment.
