the cost of competence pdf

In microbiology, genetics, cell biology, and molecular biology, competence is the ability of a cell to alter its genetics by taking up extracellular ("naked") DNA from its environment in the process called transformation. Competence may be differentiated between natural competence, a genetically specified ability of bacteria which is thought to occur under natural conditions as well as in the ...

The purpose of this consultation is to seek views on our proposal to introduce a common professional assessment to assess the competence of all intending solicitors. This common professional assessment, the Solicitors Qualifying Examination, would consist of a Part 1 assessment of knowledge, and a Part 2 assessment of skills. The consultation period ends on 4 March 2016.
