Girl from the North Country - Wikipedia

The Country Wife is a Restoration comedy written in 1675 by William Wycherley. A product of the tolerant early Restoration period, the play reflects an aristocratic and anti-Puritan ideology, and was controversial for its sexual explicitness even in its own time. The title itself contains a lewd pun with regard to the first syllable of "country". It is based on several plays by Molière, with ...

The high frequency word lists contain the words found in children's reading books in order of the frequency in which they occur. If students were to learn just the words contained on the very first list (words 1 to 100), they will have learned half of all the words they will come across in children's reading materials! They are especially good lists for ELL and ELD students and are great to ...
