The Creed of Christendom The Theosophist, July, 1888 I. "The fairy tale of the three supernatural persons, woman can verify." "Matthew Arnold. Three centuries ago, the main tide of thought which distinguishes the modern world from previous epochs, was ushered in by Francis Bacon's Novum Organum and the method of Induction. Under the banner of experiment then raised, we have marched ...

The Creed of Christendom | Universal Theosophy

In The Creeds of Christendom, Philip Schaff offers a critical analysis of the most important and fully developed expressions of faith. Through the words of the creeds, Schaff explains that honest controversy can produce lasting union, and that the theological controversies of the historic church have made the present church stronger.
