Daylily Basics - Texas A&M AgriLife

We offer two different "size" pieces for most of our daylilies. Size really is a reflection of maturity. The larger "A" size being more mature blooms sooner (typically the first season). Whereas a "B" is a smaller piece which may take until next season to bloom. daylily cultivars vary in their speed of increase and as such some may mature faster than other cultivars.

Daylily Size Guide - Olallie Daylily Gardens

By all accounts, daylilies are, indeed, the perfect perennial. In celebration of these satisfying plants, garden writers Lewis and Nancy Hill share the wisdom of their more than 40 years of experience growing daylilies -- experience that has led the Hills to an unabashed obsession with the daylily.
