

### **the democratization of communication pdf**

while communication is understood as an interactive process, in which the source and receiver are both active and equal interlocutors (Tauf, 2002, p. 200). The blossoming of popular communication initiatives, mainly at the community level, was one of the main inspirations for critical thinking in this period.

### **The Democratization of Communication: Latin American**

communication by the owners of the media and the professional journalists. In relation to the mass media the old democratic slogan "power to the people", changed into the form "media to the people". In this way, the democratic utopia of communication can be seen as a critique of the institutionalized forms of mass media professionalism.
