The National Center for Homeless Education (NCHE) is the U.S. Department of Education's technical assistance center for the federal Education for Homeless Children and Youth (EHCY) Program.

Welcome to the National Center for Homeless Education

A school is an institution designed to provide learning spaces and learning environments for the teaching of students (or "pupils") under the direction of teachers. Most countries have systems of formal education, which is commonly compulsory. [citation needed] In these systems, students progress through a series of schools. The names for these schools vary by country (discussed in the Regional ...

Conservation Agriculture is a farming system that promotes maintenance of a permanent soil cover, minimum soil disturbance (i.e. no tillage), and diversification of plant species. It enhances biodiversity and natural biological processes above and below the ground surface, which contribute to increased water and nutrient use efficiency and to improved and sustained crop production.
