The essence of academic research February 17, 2016 November 10, 2015 by James Hayton The purpose of academic research is not just to push the boundaries of knowledge, but to break free from limiting personal beliefs about the way things should be.

The essence of academic research - James Hayton

Rather, the essence of leadership is the impact that a person has on the thinking and behavior of others and the culture that he or she ends up creating as a result.
