There is a lack of research on gang members' online behavior. The present study addresses this shortcoming by examining how gang members proactively use the Internet. Data were collected by means of in-depth, semistructured interviews with gang members. In addition, based on reports of gang members, the analysis focused on their group activity on the web.

Gangs and the Web: Gang Members' Online Behavior - Revital

The Eurogang Paradox has 1 rating and 1 review. Lynn said: Though this book was compiled in 2000, fundamentally, it is a good basic research book on gang...

American Street Gangs | Download eBook PDF/EPUB

Levels and descriptors of violence among European street gangs are summarized from studies reported primarily under the aegis of the Eurogang Program initiated in 1997 and continuing still. European gang violence is placed in the context of its American counterpart, of European non-gang youth violence, and of the definitional and structural components of the Eurogang Program.
