• recognize family/friends some of the time; • with help, be able to do simple routine activities such as feeding himself, dressing or talking. What family/friends can do at Cognitive Level IV: • Tell the person where he is and reassure him that he is safe. • Bring in family pictures and personal items from home, to make him feel more comfortable.

Family Guide to The Rancho Levels of Cognitive Functioning

has remarked that American family law is middle-class, mid-western and middle-aged. Nowhere is this more evident than in the response of the law to changing family forms. A reference to "family" is usually to a traditional model of a mother and father, married to each other and their biological or legally adopted children.
