Farmer's Handbook on Basic Agriculture Acknowledgement Higher demand for agricultural raw material is now anticipated and agriculture is not any more about producing farm products and selling them exclusively at the local market. Instead farmers today have a world market to serve. But the new chances bring new challenges.

Farmer's Handbook on Basic Agriculture

Farmers had endured great hardships in helping to transform the plains from the "Great American Desert" into the "breadbasket of the nation," yet every year they reaped less and less of the bounty they had sowed with their sweat. Farmers Unite to Address Common Problems In the late 1800s, many farmers were trapped in a vicious economic cycle.
