Question: Part of me feels funny asking students to memorize content knowledge because I know they are going to forget a lot of it. (After all, I know I have forgotten a lot of what I learned in middle school.) What does the research say about memorizing things for school that youâ€™re just going to forget later?

Aerocene is an interdisciplinary artistic endeavor that seeks to devise new modes of sensitivity, reactivating a common imaginary towards achieving an ethical collaboration with the atmosphere and the environment. Its activities manifest in the testing and dissemination of lighter-than-air sculptures that become buoyant only by the heat of the Sun and infrared radiation from the surface of Earth.

Communitas is a Latin noun commonly referring either to an unstructured community in which people are equal, or to the very spirit of community. It also has special significance as a loanword in cultural anthropology and the social sciences. Victor Turner, who defined the anthropological usage of communitas, was interested in the interplay between what he called social 'structure' and ...
