The General History of Africa is a two-phase project undertaken by UNESCO from 1964 to the present. The 1964 General Conference of UNESCO, during its 13th Session, instructed the Organization to undertake this initiative after the newly independent African Member States expressed a strong desire to reclaim their cultural identity, to rectify widespread ignorance about their Continent's history, and to break free of discriminatory prejudices.

General History of Africa - Wikipedia

The Definitive One-Volume History of the American Civil War The American Civil War (1861–1865) was the pivotal conflict of the nation's history. It was a war defined by savage brutality, untold human costs, and monumental political crises that left the literal and social landscape of the nation forever changed.
