### **Hereditary Genius - Francis Galton**

A genius is a person who displays exceptional intellectual ability, creative productivity, universality in genres or originality, typically to a degree that is associated with the achievement of new advances in a domain of knowledge. Despite the presence of scholars in many subjects throughout history, many geniuses have shown high achievements in only a single kind of activity.

I wanted this to be the one page a reader can turn to get all the essential free programs they need to install on a new computer. This list doesn't cover the best free program in every conceivable category, but for

those categories that are represented the programs showcased here in most cases, I would argue, are best-in-class.
