â€œThe American house has been TV-centered for three generations. It is the focus of family life, and the life of the house correspondingly turns inward, away from whatever corresponds beyond its four walls.At the same time, the television if the families chief connection to the world.

### **The Geography of Nowhere Quotes by James Howard Kunstler**

The Geography of Nowhere traces America's evolution from a nation of Main Streets and coherent communities to a land where every place is like no place in particular, where the cities are dead zones and the countryside is a wasteland of cartoon architecture and parking lots.
