The Great American Health Hoax PDF - Am-Medicine

Abstract. Since the late 1800s, changes in the advertising and marketing of medicinal drugs have produced heated debates in the United States. With the emergence of the modern prescription drug between 1938 and 1951, concerns that once focused primarily on patients' use of over-the-counter drugs were broadened to include physicians and their "doctors' drugs" as well.

In some Native American cultures, the medicine wheel is a metaphor for a variety of spiritual concepts. A medicine wheel may also be a stone monument that illustrates this metaphor. Historically, the monuments were constructed by laying stones in a particular pattern on the ground oriented to the four directions. Most medicine wheels follow the basic pattern of having a center of stone, and ...
