The business culture of India is a reflection of the various norms and standards followed by its people. Indians have various cultural yardsticks, which extend to their business culture too. Thus, it is important that a person visiting the country has an idea of the business culture of India.

### **Business Culture of India - Business Ethics of India**

English is used as a business language in India. Therefore, it isn't necessary to translate any company materials or business cards. This would be hard anyway since there are many Indian languages spoken in India, besides Hindi.. Indiaâ€™s society is very hierarchical and, since roles and status are extremely important, you should be respectful towards higher-ranking people.
