Journal of the History of Childhood and Youth (JHCY) explores the development of childhood and youth cultures and the experiences of young people across diverse times and places. JHCY embraces a wide range of historical methodologies as well as scholarship in other disciplines that share a historical focus.

### **Journal of the History of Childhood and Youth | JHU Press**

This short-lived triannual journal, which they founded and edited from 1854 to 1859, is interesting both for its combination of classical and patristic material, illuminating the close relationship between theology and classics as disciplines in the period, and as an example from the early history of academic journals, an emerging genre which would develop into its current form over the following decades.
