legal doctrines which are not pertinent to the solution of the problem. You should answer the questions according to legal theories and principles of general applicaton.

Essay Questions and Selected Answers - Calweasel

The five types of legal arguments are primary sources of evidence of what the law is. All other materials are secondary sources of law. Secondary sources about the law include legal treatises, textbooks, legal encyclopedias, articles, essays, and study aids. Some legal treatises are very influential – but they are not law by themselves.

The Five Types of Legal Argument - University of Akron

essay, "The Law." First published in 1850 by the great French economist and journalist, it is as clear a statement as has ever been made of the original American ideal of government, as proclaimed in the Declaration of Independence, that the main purpose of any government is the

The Law - Mises Institute

Advice on this is mixed. While some sources tell students to avoid law altogether, others recommend addressing the program you are applying to. One approach is to address your desire to attend law school in the last paragraph of your essay by applying the qualities or experiences you have discussed to this next step.
