If you know what you want, you can have it! ~ Works!

It should be "The Little Know-It-Little". Most of the things are covered by other books. If you are trying to do design management, this might be a book for you. If you are a designer, spend your money on any other book. Dont waste your money on this. Read more. One person found this helpful.

The Little Know-It-All: Common Sense for Designers: Silja

Little is known about X is a common way to phrase things, but the version with a little is not commonly said, so it's not really surprising that people would consider it a mistake. People tend to expect things to fit the patterns they're used to hearing, and if you say something that almost fits a pattern they know, they're likely to think you ...
