The Strategic Logic of Nonviolent Conflict ... armed insurgents, regime violence against nonviolent movements is more likely to backfire against the regime. Potentially sympathetic publics perceive violent militants as having maximalist or extremist goals beyond accommoda-

Why Civil Resistance Works Why Civil Resistance Works

By analytically decoupling war and violence, this book explores the causes and dynamics of violence in civil war. Against the prevailing view that such violence is an instance of impenetrable madness, the book demonstrates that there is logic to it and that it has much less to do with collective emotions, ideologies, and cultures than currently believed.

The Logic of Political Violence ... Political violence is the hallmark of weakly institutionalized polities. The starkest manifestation of such violence is armed conflict in the form of civil war. Counting all countries and

years since 1950, the average yearly preva-

The Logic of Political Violence - Department of Economics

The Logic of Violence in Civil War is a book which challenges the conventional view of violence in civil wars as irrational. The main argument is that violence only emerges in those disputed territories, and it is generally driven not by the conflict itself, but by previous rancors and enmities among the population.
