molecular level, cell membrane, single cells, tissues or organs and on systems physiology are all encouraged.

The Journal of Physiology - Wiley Online Library

At p. 958 will be found an address by the "Journal Committee" of the Association, which merits the attention of all who love and honour their profession. It will be obvious to all that no private journalist could command so much talent, and such entire freedom from the insidious bias of commercial expediency. London, 18 October 1852.
