Great prose, complex characters, a poignant message; all of these are good qualities for a piece of literature to have, but they're ultimately of secondary importance. The Long Ships is a rousing success because it accomplishes the primary purpose of a work of literature: it tells an enjoyable story.

The Long Ships by Frans G. Bengtsson

In these parts there lived a thane called Toste, a worthy man and a great sailor who, though he was advanced in years, still commanded his ship and set out each summer for foreign shores.
